

Appl. No. : 10/680,523
Filed : October 7, 2003

SUMMARY OF INTERVIEW

Attendees, Date and Type of Interview

The telephonic interview was conducted on November 29, 2010 and attended by Examiners Linh-Giang Le and Gerald O'Connor and Applicant's representatives, Eric Nelson and William Higley.

Identification of Claims Discussed

The claims were discussed.

Identification of Prior Art Discussed

Oscar (U.S. Patent App. Pub. No. 2001/0037216)

Proposed Amendments

Applicant proposed amendments substantially similar to those enclosed herewith.

Principal Arguments and Other Matters

The cited references do not disclose all of the features of the claims.

Results of Interview

Upon further review, the Examiner agreed that the proposed amendments should overcome the currently applied prior art. However, the Examiner noted that further search will need to be done in light of the new claim language.
